COPYRIGHT POLICY

Copyright

Students must be mindful of copyright laws when copying material for personal use. The following copyright guidelines should be adhered to when copies are being made.

Books - please note that under copyright law, student may copy 10%, or one module of a book, whichever is greater. It is the student's responsibility to ensure that this is adhered. Please note that all e-books and pdfs will nominate the number of text pages that can be printed in one sitting.

Periodicals - students may copy one article in each issue of a periodical, or two or more articles in an issue of a periodical, provided the articles relate to the same subject matter.
